Club Photo:

The ARRL has designated 2026 The Year of the Club. This is a yearlong project to feature clubs and what clubs do for the amateur radio hobby. The ARRL is asking for amateur radio clubs to submit photos of their members. They will be publishing select pictures in every issue of QST throughout 2026. Our plan is to take group pictures at the November meeting. We would like to see as many members present at the meeting as possible to support this project. If you have a club shirt please wear it. This is a chance for the MRAC to get highlighted in QST.

Presentation:

Jeff Conner will present an explanation on the relationship of AUXCOM to emergency communication in Wisconsin.
